In her opening remarks, she spoke in general about the quality education and stressed on the need to improve the functioning of the institution to achieve excellence in education. She asked Dr. K S Suresh, IQAC coordinator to conduct the deliberations of the meeting.
2. This meeting is the first full fledged meeting after the new committee is formed. Earlier the committee had a preliminary meeting on 14th Sept. 2016 with only the internal members. In a general staff meeting held on 4th Oct 2016 where IQAC coordinator spoke about the objectives functions and plan of action of IQAC. All the members were briefed about the earlier meetings.

Each of the following agenda was taken up for discussion :

1. Quality initiatives to be adopted by IQAC,
2. Preparation of AQAR for the year 2015-16
- 3 Plan of action for 2016-17

I. Quality initiatives to be adopted by IQAC

The observations made by the peer committee who visited our college for NAAC accreditation during the month of February 2016 was discussed. Dr.Mahesh Arvind, NAAC coordinator gave a power point presentation giving details of strengths, weaknesses and opportunities of the college as perceived by the peer team. The suggestions made by them for the growth of the institution were presented. These observations were used as the basis for further discussions.

Extract from the observations and suggestions made by Peer team

1. Performance of students' monitored by the faculty members should be improved
2. Laboratory facilities should be strengthened
3. Performance appraisal of faculty and for administrative staff need to be introduced
4. Grievances of the students related to evaluation are justified, Continuous performance evaluation is undertaken , need to be documented properly
5. No recognized research center. Seed money provision by the management for faculty
6. Students research projects needs more attention
7. Scope for up gradation of computers and wi-fi facilities in the library

8. Regular amount may be provided on up gradation and purchase of additional new computers
9. Maintenance of campus facilities -- There is minimum provision of funds for maintenance made by management. The college has to develop appropriate machinery to look after maintenance
10. Separate rooms not available for counseling cell, grievance cell, women empowerment cell
11. No indoor games room
12. No Seminar/Conference hall
13. Financial management needs to be strengthened
14. Government and UGC grants need to be utilized effectively
15. IQAC need to be activated for overall development
16. Additional options in elective for B.Com and M.Com may be introduced
17. Faculty need to be encouraged to undertake research project and consultancy to meet departmental needs
18. Localized needs to be converted as viable program option of the college
ICT infrastructure to be improved and made more functional with training to teaching and non teaching staff and students

Overall analysis

1] Institutional strength

- Healthy stakeholder relationship
- Higher education is provided to nearby communities at affordable cost
- Committed and dedicated staff
- College has infrastructure

2] Institutional Weakness

- Research projects and consultancy needs more attention
- Use of ICT need to be improved both by faculty and student
- Value education to be encouraged
- IQAC needs to be activated
- Majority of the staff working under management finance

3] Institutional opportunities

- Special efforts needed to attract students from all regions
- Scope for funding through Research Projects by faculties
- Scope for introducing Self- Finance need based certificate courses like e-marketing , Tally , Clinical Research , Human Nutrition and Leadership Program

- Availability of more industries and research institutions for linkages and collaboration

4] Institutional Challenges

- Honoring UGC/University norms of staff qualification and pay scale
- Motivating staff for research and consultancy , raising required qualification and funds
- Alumni base need to be strengthened
- Interaction with industry and representation of faculty on BOS needs attention

Library resources to be improved beyond text books and optimally used with trained library personnel

E-governance in admission, examination process and library management to be implemented

Student participation at National and International level to be encouraged

IQAC be activated for overall development of student , staff and college

Coaching for CSIR , GRE and other competitive examination to be provided with special financial provision

Organization of conferences , workshops at state and national level to be organized by both the faculties

Skill oriented programs and accounting laboratory for students to be introduced

Research center is to be established in science and commerce faculty with approved research guides

Campus Wi-Fi facility should be extended to all staff and students

Financial management need to be strengthened to ensure effective use of Government/UGC funds

Ladies hostel need attention for basic facilities

Following are the observations and suggestions made by the members

1. Dr. Pradeep G Siddeshwar gave following suggestions:

- a) The seven criteria to be taken as reference for the quality initiatives to be adopted. Teachers with good knowledge of the quality parameters must be made incharge of each criteria. They should interact with the heads who will in turn interact with the staff members and undertake measures to address different issues and adopt mechanism to achieve the goals set. Once in three months they should give presentations and monitor the progress. Dates must be fixed in advance for the presentation and followed accordingly.
- b) Every year there must be a mock visit to all the departments to oversee the progress.

- c) IQAC is not an individual affair but a collective and inclusive system wherein every one must get involved and work together for the progress of the institution.
- d) Teaching and research are the two important components of the institution. More thrust and emphasis must be given to them. The papers must be published in an reputed journal.
- e) There must be healthy competition between departments and recognize and credit the departments who take up innovative practices.
- f) Documentation of every work done at different levels in the institution must be done.
- g) Students who top the examinations must be recognized by way making them give prizes to students winning various competitions.
- h) Student welfare officer to be nominated.

2. Dr. Ananth K Atre gave following suggestions

- a) IQAC must work actively and work as a nodal agency for all the activities of the college.
- b) Teachers must work continuously towards the growth of the institution.
- c) Different committees must meet every two months and assess the progress of the action plans initiated.
- d) The Newsletter published by the department of Micro biology was appreciated and other departments must emulate the work done by this department and it should act as motivation for other teachers.
- e) More Research projects must be undertaken by different departments. Teachers must come forward to take up research.
- f) Every department must take up student centric activities. The departments must be made responsible to show the results in a specific time frame.
- g) More rooms will be made available for the college in the school building.

3. To set up board for monitoring Teaching – Learning process. This committee will monitor the engagement of classes, completion of syllabus effectively on time and appropriate measures to be taken to improve the results. The heads of the departments to be the members of this board and made responsible for the improvement of results.

4. Calendar of events to be made ready before the semester classes begin. All departments and committees to be consulted and their programs are incorporated into the calendar of events.

5. Internal assessment marks to be displayed well in advance and address any issues that the students may have. If possible take student signature against their scores.

6. Plan of action to be sought from the departments for each semester.

7. Discipline in the campus to be addressed immediately.

8. To make more rooms ICT ready. The LCD projectors in room numbers 104 and 105 are to be made functional.
9. Shortage of class rooms to be addressed.
10. Painting of black boards to be taken up during the holidays after the exams in the month of December 2016.

Minutes of meeting:

Principal welcomed the all the IQAC members and other senior teachers for the meeting.

IQAC coordinator gave the details regarding the need of college management information system in which student tracking system was a part. The areas that need automation which can be integrated are

1. Admission and fees : Prospectus, Merit list preparation, student registration, admission and other fees, fee receipt, ID card generation
2. Student administration : Admission register, attendance sheet, ID cards, user defined reports, correspondence with parents, certificates etc...
3. Scholarship and fee concession: Selection report, disbursement report, scholarship bill, scholarship certificate, award list etc...
4. Attendance : attendance report of a class of individual subject/all subjects for a desired period, attendance report of single student, analysis of classes taken by faculty, poor attendance report, communication to parents
5. Payroll and leave : Monthly pay bill of all employees, supplementary bills, income tax calculations, etc....
6. Website – Revamping, updation and linking to all resources
7. Library : Requisition and purchase order, Vendor quotation and comparative statement, accessioning, catalogue, stock verification etc..
8. Examination : Examination registration, time table, pre exam and post exam work etc..
9. Results : Result analysis, combination wise results categorizing into SC/ST, OBC and GM showing split of boys and girls, subject wise results etc..
10. Training and placement : Student biodata preparation, company profile creation, company invitation and schedules, student shortlisting, history of campus placement etc...
11. SMS and email : Mechanism to update the students and parents with regard to schedule of lectures, attendance, meeting notices, fee dues, test scores etc...
12. Student feedback system : Online student feedback and communication to respective faculty and overall feedback to principal.
13. Teaching and learning resources : Syllabus copy, academic planner, teaching resources, online study material, question bank, assignment etc..
14. Information module : To create awareness regarding anti ragging cell, anti sexual harassment cell, grievance redressal cell, counselling cell, discipline committee etc..

Based on these requirements the service providers gave presentations.

It was decided to place order for MIS services to IPOMO and as a pilot basis the scheme was to be implemented during the academic year 2017-18.
