On 29 September 2016, India announced that it conducted "surgical strikes" against militant launch pads across the Line of Control in Pakistani-administered Kashmir, and inflicted "significant casualties". Indian media reported the casualty figures variously from 35 to 70. Pakistan rejected India's claim and instead claimed that Indian troops did not cross the Line of Control and had only skirmished with Pakistani troops at the border, resulting in the death of two Pakistani soldiers and nine wounded. A skit based on this theme was displayed on Republic Day exuberantly.
