Sri. A P J Abdul Kalam, Former President of India, has described his future plan for the country by the year 2020. His vision to transform the country into a developed land was showcased. In the vision for India 2020, he has covered five potential areas where India has core competency viz.

1. Agriculture and food processing
2. Education and healthcare
3. Information and communication technology
4. Infrastructure development
5. Self-reliance in critical technologies.

These all five areas have been mentioned for integrated action to double the growth rate of GDP and realize the Vision of Developed India.

Women Empowerment is made up of two words women and empowerment. Empowerment means to give power or authority to someone. So, Women Empowerment means power in the hands of women. It signifies that women should be given equal opportunity in every field, irrespective of any discrimination. In this essay on Women Empowerment, we will discuss the need for women empowerment and the ways through which it can be achieved.

Youth empowerment is a process where children and young people are encouraged to take charge of their lives. They do this by addressing their situation and then take action in order to improve their access to resources and transform their consciousness through their beliefs, values, and attitudes. Youth empowerment aims to improve quality of life. Youth empowerment is achieved through participation in youth empowerment programs.

Kashmir, and inflicted "significant casualties". Indian media reported the casualty figures variously from 35 to 70. Pakistan rejected India's claim and instead claimed that Indian troops did not cross the Line of Control and had only skirmished with Pakistani troops at the border, resulting in the death of two Pakistani soldiers and nine wounded. A skit based on this theme was displayed on Republic Day exuberantly.
