About the Workshop: -

The present CBCS syllabus of BSc Biochemistry was introduced in the year 2014. In 2017, the first batch of final year BSc students passed out from the colleges. The learned teachers have expressed an interest and a need to conduct One day workshop on PRACTICAL BIOCHEMISTRY during evaluation of odd semester examination January 2018. This is in order to bring an uniformity in practical experiments with respect to the procedures. The workshop is organized by our college under the patronage of our esteemed management BHS Higher Education Society, Jayanagar 4th block, Bangalore-11.

Aims & objectives: -

1. It helps all Biochemistry teachers to interact with each other and with the resource persons.
2. It provides an opportunity to learn better skills in practical Biochemistry.
3. It is a platform to prepare a common uniform practical procedure in all the experiments of all semesters.
4. It is useful in modifying scheme of evaluation, prepare viva questions and select procedure writing experiments with the approval from BOS, Bangalore University.
