Mathematics Workshop 2016-17

TWO-DAY WORKSHOP ENTITLED “SCIENCE ACADEMIES LECTURE WORKSHOP” ON “ANALYSIS AND PROBABILITY”

On March 6th and 7th, 2017, Department of Mathematics, Vijaya College, BHSHEs, Basavanagudi, Bangalore hosted a two-day workshop entitled “**Science Academies lecture workshop**” on “**Analysis and Probability**”. The workshop was funded by Indian Academy of Sciences, Bengaluru, Indian National Science Academy, New Delhi and The National Academy of Sciences, Allahabad. Professor **Dr. Gadadhar Mishra**, chairman, Department of Mathematics, Indian Institute of Science, Bangalore was the convenor for the workshop. Speakers of guest lecture were organized by the convenor

The lecture workshop was designed for the benefit of students and teachers at under graduate level.

Total 203 participants registered with us on day one before 10.00am which includes Under Graduate, Post Graduate students and teaching faculties of colleges around Vijaya College. At the time of registration, the participants were distributed with stationery to attend the workshop (a folder, a pen and a king size note book).

The formal inauguration held between 10.00am and 11.00am on 6th March, in the Indoor Auditorium of the college. The chief guests were **Ms Shilpa**, KAS, CAO, Department of Collegiate Education, **Prof. Pradeep G Siddeshwar**, FNSA, Director, Planning, Monitoring & Evaluation Board, Bangalore University and **Dr. B. Sury**, ISI. In his keynote address, Prof. Pradeep G Siddeshwar urged participants to make utmost use of the lectures during the workshop to pursue their interests in research and not to consider workshop as an end in itself.

Keynote address was followed by the tea break of 15 minutes. The series of lectures by the eminent speakers from ISI and IISc, began after the tea break. The lectures took place as per the schedule. The first session started at 11.15am by **Dr. B. Sury**, ISI on the topic “**Mathematician turns coffee into probably tea in groups**”. Professor spoke in depth on probability in group theory and also introduced Nilpotent groups, Profinite groups.

In the second session **Prof. E.K. Narayanan** lectured on the topic “**Nowhere differentiable functions**”. Professor initially discussed Continuity and Differentiability of functions and went on to discuss about nowhere differentiable functions later in the Session 4 between 4.00pm till 5.15pm.

Lunch break and session 3 were sandwiched between two lectures of **Prof. E.K. Narayanan**.

In session 3, **Dr. Arvind Ayyer** spoke on the topic “**Linear Algebra to rescue of combinatorics**”. He discussed about techniques to find out minimum spanning tree, interesting proof of Cayley’s theorem to find number of trees in a graph as well.

Day two of the workshop opened with lecture by **Dr. Abhishek Bannerjee**, IISc at 10.00am. The topic was “**What is finiteness?**” He discussed on the finiteness of a finite dimensional vector space. The lecture was followed by a tea-break and the participants assembled at 12.00

noon to attend **Dr. Manjunath Krishnapur's** lecture on “**Some applications of elementary probability to real world questions**”. A good number of examples highlighting the importance of sampling of data, illusions and paradoxes of collective data to that of a divided detailed data were discussed.

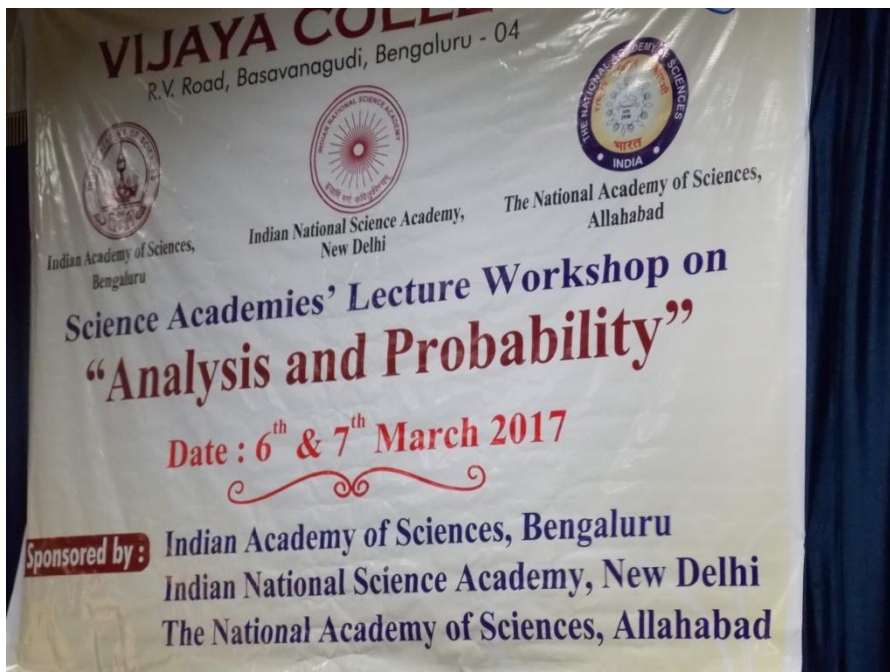

After this lecture there was a tea break for 15 minutes followed by a talk on “**Fundamental theorem of calculus**” by **Dr. Gadadhar Mishra**, Convenor of the workshop. He provided solution to Layman Puzzle, “How to identify a punctured plane out of two planes?” This was followed by a lunch break.

Prof. Kaushal Verma delivered lecture on “**Isometries of the plane**” in the Session 8. Proof of all possible isometries present in R^2 was discussed. He also discussed how vector spaces can be modified without changing their basic dimensional properties.

The workshop concluded with valedictory function. Chief guests were **Dr. T.D. Mahabaleswara, Prof. Kaushal Verma**, who addressed the gathering.

One student participant and one teacher participant expressed their views on the workshop. This was followed by vote of thanks by our Vice-Principal. Feedback forms were collected from the participants during the distribution of attendance certificate.

All participants stated that attending the workshop was a useful and a valuable experience for them and that they would recommend their colleagues to attend such future workshops. Finally, we the staff of Department of Mathematics felt that workshop was a success.
