**To arrive at plans and programs to achieve the following key areas.**

### **1. Academic Excellence**

#### **(a) Class room teaching methodology**

- (i) Traditional teaching : SWOC
- (ii) ICT enabled teaching : SWOC

#### **(b) Learning resources**

- (i) Study material generated by teachers : SWOC
- (ii) e-books and
- (iii) library resources

#### **(c) Student profile, retention and dropouts**

#### **(d) Student Attendance**

- Demotivating factors for absenteeism

#### **(e) Faculty development program**

Department analysis of the areas to be strengthened for staff only

#### **(f) Results**

Mechanism to be adopted to improve results and remedial classes to be taken in this regard

**(f) Academic account** of number of classes handled by each teacher to complete syllabus – Introspection

**g) Academic planner**– Accountability criterion to be adopted.

Coaches for the brainstorming Sessions : BSJ, KSS(Bot), KSS(Phy), MSB, AM

All the departments need to discuss about above criteria in the respective departments and give their perspective in the brainstorming session.

The outcome to be adopted.

### **Achieving Academic Excellence**

Strengths (internal factors) :

- What are we good at?
- How to further strengthen them?
- What areas we can excel compared to others?

- What are our intrinsic strengths?
- What is the actual strength of good teachers?

Weaknesses (internal factors) :

- What skills we lack that is coming in the way of achieving excellence?
- What attitudes hinder our progress?
- Do we have appropriate faculty motivated in teaching?
- Decline in pass percentage and ranks : reasons and remedies?

Opportunities

- What skill set is required to motivate students to achieve better?
- What resources are available to achieve success?
- What resources we can build to achieve success?
- Enhance sanctioned intake in high demand courses? Should we or should we not?
- How do we attract students from outside the state?
- How do we make first semester program self-sustained and improve results?
- How do we engage with the neighbourhood community to brand the college?

Threats (external factors) :

- What preparation the system needs for next generation of students?
- Do we have the correct student profile?
- Why dropouts?
- What demotivating factors exist for student attrition?

Brainstorming :

- Fun and mind – boggling
  - Fresh solutions required for vexing problems
  - Themes : Listed above
1. **Setting the tone right :**
    - Brevity in making comments
    - One person should speak at a time
    - Don't analyse the other person's idea but build upon it if possible
  2. **Clarification through questions :**
    - Ask "In What Way"
    - "Why?"
    - "How"
  3. **Quantify ideas in brainstorming**
    - More the no. of ideas, better we could freeze on a few
    - Time limit must be set for each task.
    - Reward a group with more no. of ideas and solutions
    - Top priority is quantity but not quality
  4. **Discourage Judgement & Analysis**
    - Dream up lots of ideas
    - Write down every idea briefly
    - Do not analyse the ideas (natural tendency of grown up adults)
    - Withhold judgement
    - Do not criticize
    - Encourage wild and absurd ideas
  5. **Summarize the final conclusions**
