## **PG Chemistry workshop**

A ONE DAY LECTURE WORKSHOP ON

### **“HETEROGENEOUS CATALYSIS IN ORGANIC SYNTHESIS – CONCEPTS AND INDUSTRIAL APPLICATIONS”**

A one day lecture workshop on **Heterogeneous Catalysis in Organic Synthesis – Concepts and Industrial Applications** was organized in Post Graduation Department of Chemistry, Vijaya College, Bangalore 560004 in Collaboration with **Catalysis Society of India (Bangalore Chapter)** on **18<sup>th</sup> October 2019**. The workshop was conducted in Indoor Auditorium of the college.

The workshop was successfully planned under the guidance of Prof. N. Nagaraju, who served as a treasurer Catalysis Society of India (Bangalore Chapter) for the event. Dr. S. M. Basavarajaiah as the convener and Dr. Umesha K as the organizing secretary for the event. The workshop began with an inaugural function, in which Dr. Umesha K welcomed all the dignitaries and the participants of the workshop. All the dignitaries on the dais lightened the lamp to pray the lord the almighty followed by an invocation song by a group of M. Sc., students. **Dr. A. B. Halgeri**, President, CSI (Bangalore Chapter), Director PPISR, Former Vice President, Reliance Petrochemicals Ltd was the guest of honor addressed the gathering and expressed his view on the importance of catalysis and its fundamental concepts in the present scientific scenario, **Dr. Ananth K. Atre** along with the principal of our college **Prof. H. S. Balakrishna** presided the event, and delivered the presidential remarks for the event. Dr. S. M. Basavarajaiah endowed the vote of thanks at the end of inaugural function.

**Later, Dr. A. B. Halgeri** delivered an inaugural lecture entitled “Recent advances in catalysis and sustainable chemistry” and emphasized various basic concepts of catalysis and shared his research work with the young minds. He also briefed about the various other research opportunities and research project available in the PPISR.

The inaugural lecture was followed by a series of five lectures and details are follows:

1. **Talk 2:** “Heterogeneous catalysis research methodology – a bird’s eye view”. By **Prof N. Nagaraju**, Visiting Faculty, Vijaya College, Retd Professor, St Joseph’s College, Research and PG Centre, Bengaluru.
2. **Talk 3:** “SABIC journey in petrochemical Industry”, By **Dr. Vinod Nair**, Manager (Catalysis Division), SABIC Technology Centre, Bengaluru.
3. **Talk 4:** “Efficient conversion of CO<sub>2</sub> into fuel and chemicals using ordered nano intermetallics” By **Dr. Sebastian C Peter**, Associate Professor, JNCASR, Bengaluru.
4. **Talk 5:** “Synthesis of organic fine chemicals through solid acid base / redox catalysts”. By **Dr. Sanjeev Maradur**, Associate Professor and Senior Scientist PPISR, Bengaluru.
5. **Talk 6:** “Metal based nano structured catalysts for hydrogenation and dehydrogenation, simultaneous reaction for industrial application”. By **Dr. BM Nagaraja** Associate Professor Jain University, Bengaluru.

All the lectures were very beneficial for the M,Sc., students exposed them to latest trends in science and encouraged them to make a career in science. All the participants actively made an interaction with the invited speakers

Over 150 students and teachers from other colleges participated in the event. The other colleges include V. V. Puram college of Science, Government Science College, Jyothi Nivas College, Indian Academy of Science and St. Josephs College etc.

After the lecture series a valedictory function was organized. Dr B. P Nethravathi welcomed the dignitaries on the dais. The function was presided by Prof H. S. Balakrishna along with guest of honor Prof. N. Nagaraju, treasurer Catalysis Society of India (Bangalore Chapter). Prof. N. Nagaraju addressed the gathering followed by the presidential remarks by Prof. H. S. Balakrishna.
