Plan of action for the year 2019-20 and action taken

SL. No.	Plan of Action	Achievements/Outcomes
1	To reintroduce mid-day meal scheme in the college in association with Akshaya patra of ISKCON and Vijaya Vaanijya Alumni, Physical Science Alumni as well as teaching and non-teaching staff of the college as sponsors.	To begin with 100 needy students are identified based on their economic background from various streams and are provided with mid-day meals on all the working days
2	To enhance academic excellence	Best performing students were identified and given guidance by different departments to fine tune their performances.
3	To renovate Boys' toilet at the rear end of the college and second floor.	At present some repair works were done. It is planned to reconstruct the Boys' toilet and the process is on. Second floor boys' toilet was renovated
4	To create a centralised computer centre in the second floor at the rear end of the college campus with 35 computers with internet facility using CPE funds.	A centralised computer centre was created using CPE funds and the funds from the management. All the computers were equipped with internet connection.
5	To monitor optimum usage of newly created computer centre using CPE and management funds.	The newly created computer lab has 35 computers with internet connections. The lab is used by Mathematics, Computer science and Commerce departments. Also the centre is used to conduct workshop for students (Teaching python) and for placement exams by companies.
6	To maintain Assets register by all departments	The process is on with some departments identifying the

		equipment and furniture and estimating their costs
7	To conduct bridge courses for freshers	During the beginning of this academic year, the departments of Microbiology, Botany Mathematics, Chemistry and Physics conducted bridge courses. Other departments are encouraged to start with bridge courses from the next academic year
8	To start Business lab for commerce students in the new business lab having 35 computers installed using CPE funds	Provisions were made in the time table to conduct the Business lab for all the students
9	To conduct all extracurricular activities during two-day talents day celebrations	This year the cultural, literary and science committee had a common inaugural function and all the events were conducted simultaneously making provision for students to participate in multiple events. The scheduling was done to suite this.
10	To start recording of virtual classroom video	Department of Mathematics recorded video lectures to begin with. Later the departments of Physics, Chemistry, Botany, Microbiology, Commerce, Computer science and Electronics also recorded lecture videos and were uploaded to various platforms for the benefit of students.
11	To install Multimedia projectors in 25 classrooms and laboratories	The projectors were installed in 11 classrooms and 5 laboratories. Already 6 classrooms had the projectors. Some more rooms are being considered for fixing the projectors

12	Departments to encourage student projects using equipment purchased under CPE grants	The science departments are being asked to use the equipment for the purpose of conducting experiments and projects
13	To strengthen the grievance redressal cell	Departments are provided with a format to be given to students and their grievances are addressed by the grievance committee
14	To form a committee to monitor indexing of all equipment in science departments	Two committees were formed for this purpose, 1 Physical science and 2 Life science. The committees have verified a) indexing of all equipment and furniture b) the day book and the c) Stock book and have given a report
15	Green initiative - To plant more saplings, To maintain plants of several species with regular watering, To use more of power efficient light bulbs, To reduce usage of electrical power, Study to made digital by taking notes electronically, To send notices, circulars digitally etc..	The departments of Botany and biotechnology in collaboration with Jeeva Vijaya, the life science alumni of our college have planted several saplings and are maintained by the departments and the gardener. Most of the bulbs are replaced with LED bulbs to reduce electrical power consumption. The college has a mechanism of sending bulk messages to teachers and students for the important notices. Also the information is uploaded on the college websites. The information with files are sent through email.
16	To conduct awareness program on e-waste management	IQAC in collaboration with Physical and Biological science departments conducted e – waste management program on 29 th of Jan. 2020. The speaker for the program was Smt. Dakshayani. Around 400 students participated in the program

17	To install Public address system using CPE funds in the outdoor Auditorium	The existing public system was upgraded with the installation of new audio system with amplifier, microphones and speakers.
18	To acquire digital camera using CPE funds for the purpose of video recording of lecture sessions	Honeywell 2MP PTZ high focal length camera was acquired for recording video lectures
19	To purchase printers, copiers, scanner and Eval-OMR Perpetual Single user licence software under library automation using CPE funds	Using CPE funds these devices were procured
20	To equip Language lab with new learning software, Headset and webcam from CPE funds.	Using the CPE funds iTell-Ore'll Digital Language Lab – Premium P2, Teacher Console(1) and Student users (35), Headsets and webcam were procured from Ore'llTechnosystems (India) Private Limited, Bangalore
21	To provide note books and record books on a nominal rate to students	All the students were provided with note books, blue books and record books with college logo and name imprinted on it. This is for the first time that an initiative of this type is undertaken.

IQAC Coordinator gave the details of the results of the odd and even semesters of 2019-20. The results were presented as the percentage of students passing the exams category wise with boys and girls shown separately. For the 2nd and 4th semester students, exams were not held due to covid 19 and results were declared on the basis of internal assessment marks and previous exam results. It was decided to improve the results where ever pass percentage was less and same to be communicated to all the HODs and respective department teachers. The result analysis is given below.

It was also brought to the notice of the members about the number of webinars held by different departments and the details are given below.

IQAC coordinator thanked all the members for their active participation in the meeting.

Minutes of the meeting

IQAC Coordinator welcomed all the members to the meeting.

The calendar of events for the even semester was discussed.

Even semester classes started online from 5th May 2021 during the lockdown period. College reopened only on 7th July 2021 after the easing of restrictions due to covid 19. The tentative calendar of events is given below.

The committee puts on record the achievements of students in securing gold medals and congratulates all the winners.

Principal gave the details of the proposals sent to management with regard to start of new courses. Principal was happy to tell the members that the management agreed to the proposals and the same to be sent to BCU for approval.

Courses	Duration	No. of students intake that would be sanctioned
B. Vocational Education - IT	3 years	40
B.Com - Business data analytics	3 years	40
B.Sc. Course (Biochemistry, Biotechnology, Microbiology)	3 years	40
MCom - Financial analysis	2 years	30

Principal gave details of the NAAC SSR preparations. Several meetings were held online during the lockdown period. During these meetings it was decided to upload IIQA on 1st July 2021. Principal gave details of the queries asked by NAAC after IIQA submission.

NAAC give permission on 11th July 2021 to upload SSR within 45 days from the date of approval of SSR.

It was decided to hold several meetings to finalise the contents that need to go into SSR.

Schedules for NAAC meeting is as given below.

NAAC meeting is convened on the following dates for different criteria.

Criteria coordinators and sub-coordinators are requested to attend the meeting with regard to SSR submission to NAAC.

Criteria	Date/Day	Time
I	24/07/2021 Saturday	12 PM to 1 PM
II	20/07/2021 Tuesday	1 PM to 2 PM
III	20/07/2021 Tuesday	2 PM to 3 PM
IV	22/07/2021 Thursday	1 PM to 2 PM

VI	23/07/2021 Friday	1 PM to 2 PM
VII	23/07/2021 Friday	2 PM to 3 PM

Also another final meeting was scheduled and a circular was sent to all the teachers to participate in the meeting with the coordinators to present their respective criteria inputs.

The process of SSR submission to NAAC is in final stages. It is required for all the criteria coordinators and members to have a relook at criteria inputs that need to be finally uploaded to NAAC.

In this direction each criteria coordinator need to present their respective criteria inputs that are being entered into NAAC portal one final time before uploading. Also DVV preparations are to be planned by each criteria coordinator and members.

This process is scheduled on 26th, 27th and 28th July 2021 in the indoor auditorium from 3PM to 5.30PM.

ALL the coordinators and sub-coordinators need to be present on all the three days and contribute in finalising the SSR submission.

Cooperation from all is the need of the hour for final submission.
