Minutes of the meeting

IQAC Coordinator welcomed all the members to the first IQAC meeting for the academic year 2022-23.

1. To plan activities for the year 2022-23 –

- (a) A detailed discussion was held with regard to the conduct of add-on courses and the challenges involved in running the course. The funding for the course was the main issue. It was decided to either run the course free where ever possible by taking in house expertise. Also to charge nominally for the course if external expertise was involved.
- (b) It was decided to conduct faculty development program in the college with regard to NEP implementation.
- (c) All the members felt the need to conduct more guest lectures and workshops for the benefit of the students.
- (d) The industrial visits and field visits to be held more frequently.
- (e) Members felt that midday meal facility to be provided again with the help of Akshaya patra of ISKON.
- (f) A program to showcase the science laboratories of the college and the demonstration of working models was thought of. In this regard a science fest should be held by the science committee.
- (g) Discussions were also held with regard to conduct of a National level conference on Intellectual property rights.

A general format for the events to be held by different wings and committees were discussed and a table was generated.

2. To implement the suggestions given by peer team

Discussions were held in this direction and some were implemented and others to be implemented.

3 NEP implementation for V semester and allocation of open electives

The members decided to adopt a mechanism in allotting various Open elective courses to first year and second year students. A committee was formed called NEP implementation committee to look into this. Different departments will be asked to provide details of open electives offered by them and explain the same to the students. A google form with all the Oes will be sent to students to choose. They can give three preferences and based on the demand the Oes will be allotted.

In general the calendar of events for the odd semester of 2022-23 was also discussed. Principal thanked all the members for their active participation.
