## Plastic Free

Date: 2<sup>nd</sup>, 9<sup>th</sup>, 16<sup>th</sup>, 23<sup>rd</sup> of February 2024 and 1<sup>st</sup>, 8<sup>th</sup> of March 2024  
Time: 11:00am – 1:00pm  
Venue: Banashankari Temple

Vijaya college NSS unit has organized events in Banashankari Temple to create a awareness on single use plastics, volunteers organized a significant environmental event at the Banashankari Temple to promote a plastic free motto. This initiative aimed to raise awareness among devotees about the detrimental effects of plastic on the environment and encourage them to adopt sustainable practices. The event was a collaborative effort involving multiple groups of volunteers, each assigned specific areas to monitor and ensure a plastic-free environment.

Volunteers were divided into several groups, each responsible for a designated area within and around the temple premises. The primary tasks included educating devotees about the harm caused by plastic, encouraging them to refrain from bringing plastic items, and collecting any plastic waste found.

Volunteers positioned at the entrance points politely requested visitors to avoid bringing plastic items inside the temple premises. For those who had already brought plastic items, volunteers offered alternatives such as cloth bags and biodegradable containers.

In addition to these efforts, a dedicated team collected plastic waste from the temple grounds, ensuring that the environment remained clean and plastic-free. The collected plastic was then sorted and sent for proper recycling, adhering to environmental guidelines.
