On May 14, 2024, the College hosted a workshop titled "How to host a Formal Event or a Programme." The workshop aimed to equip students with the skills needed to effectively host and anchor formal events. The session was conducted by Dr. Shantaraju, the Vice Principal of Vijaya Evening College and Prof. N.G. Narasimhan, Department of English of Vijaya Evening College. The students of various departments from Commerce and Science actively participated in the event.

The event started with an invocation song, preceded by the Principal of Vijaya College, Prof. Shailaja K S and Dr. Shantaraju Sir explained the importance of each and every aspect regarding hosting, from communication to body language and expressions. He stressed upon the importance of being attentive as a host of a programme. 36 students actively interacted with him regarding the presence of mind and thoughts during an event.

After Dr. Shantaraju concluded his session, Prof. N G Narasimhan took over the stage and conducted an activity by dividing all the 36 students into groups of 6 and made them sit on the stage. He gave all the groups a particular topic and asked them to conduct a program. From deciding the respective guest of the event to the host had to be decided by the students. Later they were made to come upon the stage and deliver their program. The main aim of that activity was to eliminate stage fear and nervousness amongst the students. The topics for the programs were Annual day, Sports day, Commerce day, Women's day, Science day and Independence Day.

The students learnt how to conduct an event starting from an invocation song to thanking all the guests and spectators of the day. They acknowledged the fact that communication is the key to host the event with fluent language and a great presence of mind. The event was a great success and feedback from the students was taken.

We ended the year with the blast on 22nd of June 2024, the College Day celebrations, VIJAYAAROHANA-The Cultural Fiesta, which came with new surprises this year. The Chief Guest for the program was M Anand Raj, Film Director and Rajshekar S, Entrepreneur and Alumni of the College. The Cultural committee came up with the idea to set up stalls for the students to showcase their entrepreneurship skills and have a DJ (Disco Jockey) evening for the students to dance to their hearts content. The students who set up the stalls gave the feedback on how they had their profits maximised and was really helpful to them.

We extend our heartfelt gratitude to all the members of the Cultural Committee for their unwavering dedication and hard work throughout this academic year. Their creativity, enthusiasm, and commitment have been instrumental in organizing a diverse array of cultural events that have enriched the college experience for students, staff, and the community at large. Special thanks go to our Convener Prof. Suresh HN, committee members, student coordinators, student volunteers and all the teaching and non-teaching staff, whose support and guidance were invaluable. Together, we have celebrated the richness of our cultural heritage and fostered a vibrant, inclusive environment. We look forward to continuing this journey of cultural exploration and celebration in the years to come.
