### 1. Introduction

The rapid advancement of Artificial Intelligence has transformed industries, entrepreneurship, and innovation. To introduce students and budding entrepreneurs to essential AI tools and technologies, Vijaya College organised a two-day online workshop titled "AI and Tools for Innovators and Entrepreneurs." This workshop aimed to provide hands-on exposure to the latest AI applications useful for idea development, research, design, content creation and entrepreneurship.

### 2. Objectives

- To create awareness about emerging AI tools used in innovation and startups.
- To enhance skills in using AI for productivity, problem-solving, and automation.
- To provide exposure to real-world applications of AI for entrepreneurs.
- To motivate students to explore AI tools for academic and project development.
- To encourage innovative thinking and entrepreneurial mindset.

### 3. Speakers

The workshop featured distinguished speaker:

- **Dr. Mohana** - Associate Professor, RV College of Engineering, Bengaluru

She shared real-world experiences, highlighted emerging trends in entrepreneurship, and encouraged students to think creatively and take initiative.
