### **Event Details**

**Topic: “Expert talk on Technology Readiness Level (TRL), MRL, IRL, IP Commercialization, Tech Transfer”**

**Date: 11th February 2026**

**Time: 12.30 PM to 2.30 PM**

**Mode: Offline**

### **Objective of the Session**

The purpose of this session was to bridge the gap between scientific research and practical application, ensuring that innovations move from laboratories into the market place for public and commercial benefit.

### **Event proceedings**

**Welcome Address:** The session began with a warm welcome by Prof. Latha.B, HOD, Department of Computer Science.

Shri. Jayanth.S, Center Manager, Sambhav Foundation, conducted a workshop on technology transfer in cyber security, AI and Data Mining. Tech transfer on Cyber security helped the students to learn how to accelerate the adoption of innovative, research-backed security solutions from labs to the operational marketplace, enhancing protection against evolving threats.

Tech transfer on AI technology bridged the gap between AI research and practical application by moving algorithms, models and data-driven insights from research labs to industry, thereby accelerating innovation.

Tech transfer on Data Mining helped the students to learn about transforming academic research or lab prototypes into marketable software, analytical tools, and commercial products.

**Vote of Thanks:** The event concluded with a heartfelt vote of thanks delivered by Prof. M.G.Bharathi, Vice-President, IIC (2025-26), appreciating the speaker, and all the participants.

### Participation

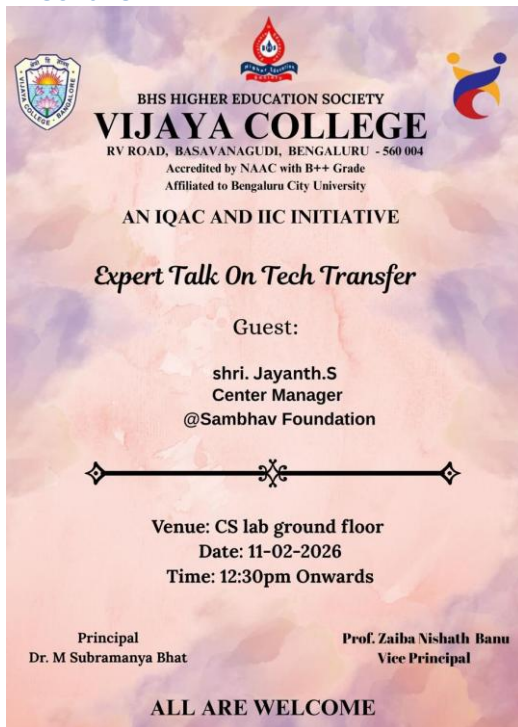

**Total Participants:** 45

**Department:** BCA

**Mode:** Offline

**VI semester BCA students actively participated and interacted with the speaker.**

### Brochure

### Feedback

**The student participants found that the workshop on Tech transfer on Cyber security, AI and Data Mining was interesting, visuals on the slides were great and perfectly complemented the speaker's oration. They also felt that the flow of the presentation made sense, starting generally and getting more specific. Overall, they expressed that the expert talk and presentation showed great potential and was impactful.**
