The Institution’s Innovation Council (IIC) is an initiative of the Ministry of Education’s Innovation Cell (MIC), Government of India. It was established to create a strong culture of innovation and entrepreneurship in educational institutions.

### **Event Details**

**Topic: “Outreach Program on Innovation and Entrepreneurship for School Students”**

**Date: 09th February 2026**

**Time:2.00 PM to 3.00 PM**

**Mode: Offline**

### **Objective of the Session**

The session aimed to create awareness about innovation and entrepreneurship among school students. It helped them understand the role of entrepreneurs and encouraged creative thinking while motivating them to consider entrepreneurship as a future career option.

### **Event proceedings**

**Welcome Address:** The session began with a warm welcome by Prof. M.G. Bharathi, Vice-President, IIC (2025-26),

The session began with a warm introduction explaining the purpose of the outreach program. Ms. Ashwini Prof. PG Department, explained the concept of entrepreneurship in simple terms, helping students understand how entrepreneurs identify problems and convert ideas into opportunities. She also discussed innovation, emphasizing the importance of new ideas, creativity, and improvement in existing products or services. The resource person explained who entrepreneurs are, highlighting real-life examples to make the topic relatable for school students. The presentation focused on how entrepreneurship helps in employment generation, self-reliance. Interactive discussions were encouraged, and students actively participated by asking questions and sharing their thoughts. The session concluded with motivation for students to think innovatively, believe in their ideas, and develop an entrepreneurial mindset from an early age.

**Vote of Thanks:** The event concluded with a heartfelt vote of thanks delivered by Prof. Vidhya Saraswati, Convenor, IIC (2025–26), appreciating the speaker, and all the participants.

## Participation

**Total Participants:** 45

**Department:** High School  
Students.

**Mode:** Offline

High school students. actively participated and interacted with the speaker.

## Feedback:

The feedback from the school students and teachers was highly positive. Students found the session informative, interesting, and inspiring. Many students expressed curiosity about entrepreneurship and appreciated the simple explanation of complex concepts. Teachers appreciated the initiative taken by the degree college under IIC to guide and motivate school students. They felt that such programs help students gain early exposure to innovation and career opportunities beyond conventional paths.

Overall, the session successfully achieved its objectives and created awareness about innovation and entrepreneurship among school students.
