Event Details

Topic: "A Session on Accelerators / Incubation Opportunities"

Date: 12th August 2026
Time: 12.00 noon to 1.00 pm
Mode: Offline
Speaker: Dr. H. Sunil, Head, Vemana Business Incubation Centre, Chairman, IPR Cell, Institute of Skill Development

Objective of the Session

The purpose of this session was to provide a detailed understanding of the world of Accelerators and Incubators. The objective was also to enable the students to explore funding and mentorship opportunities and also make them learn how to turn ideas into startups and connect with ecosystem enablers.

Event Proceedings

Welcome Address & Guest Introduction: The session began with a warm welcome and introduction of the guest by Prof. Srinivas Babu Reddy, Member, IIC 2025-26.

Guest Talk: Dr. H. Sunil, delivered an interesting lecture on "Accelerators and Incubation Opportunities". He highlighted the key differences between Accelerators and Incubators by mentioning that Accelerators are short, intense programs (3 to 6 months), focused on scaling, refining product-market fit, and pitch preparation for a Demo Day while Incubators offer long-term support (1 to 2 years), focused on early research, prototyping, and business model refinement. He spoke how startup accelerators and incubators help new businesses grow by offering mentorship, resources, and funding.

Vote of Thanks: The event concluded with a heartfelt vote of thanks delivered by Prof. Vidya Saraswathi K, Convenor, IIC (2025–26), appreciating the guest speaker, faculty, and all participants.

Participation

Total Participants: 62
Departments: BBA and BCA
Mode: Offline
Students and faculty members actively participated and interacted with the speaker.

Outcomes of the Session:

The overall outcome of the session was that the participating students were enlightened about how incubators focus on early ideas and building a product, while accelerators fast-track growth for companies that already have traction.
