IIC ACTIVITY REPORT

Session Details:

Title of the Session: Innovation and Entrepreneurship outreach program at schools

Date: 10th August 2026

Duration: 1 Hour

Mode: Offline

Venue: BHS School

Activity Category: IIC Activity

Activity Led By: Institution Innovation Council (IIC)

Theme: Innovation and Entrepreneurship

Objective of the Activity: The objective of the session was to create awareness among school students about innovation and entrepreneurship and to encourage curiosity, creativity, problem-solving and innovative thinking. The session also aimed to provide students with practical exposure to innovation through a hands-on activity.

Expert/Speaker Details:

Name: Mrs. Ashwini Gowda

Designation: Assistant Professor, Department of Commerce and Management

Organization/Institution: Vijaya College, Bengaluru

Brief about Expert/Speaker: Mrs. Ashwini Gowda is an Assistant Professor in the Department of Commerce and Management, Vijaya College, Bengaluru, and served as the resource person for the outreach programme.

Brief Description of the Activity:

The Institution's Innovation Council (IIC) of Vijaya College organized an **Innovation & Entrepreneurship Outreach Programme for school students** at BHS School on 10th August 2026. The session introduced students to the meaning of innovation and its importance in solving everyday problems. The resource person explained creative thinking, problem identification and the five stages of design thinking—Empathize, Define, Ideate, Prototype and Test. Examples such as UPI, Jaipur Foot, Mitticool and ISRO were discussed to help students understand how innovative ideas can be converted into useful solutions.

A **hands-on training activity** was also provided to the students. Students were given simple materials such as **paper cups, straws and other basic materials** and were asked to use their creativity to make something unique, useful or innovative. Students worked in groups, discussed their ideas and tried to create their own models using the materials provided. The activity created a lively and enthusiastic learning environment, and the students showed great interest and excitement while participating. They particularly enjoyed the opportunity to make something with their own hands and present their creative ideas.

The programme concluded with interaction and appreciation for the active participation of the students.

Participant Details:

Total no. of Student participation: 60

Total no. of Staff participation: 4

Key Highlights:

· Introduction to innovation and entrepreneurship.

· Understanding innovation through everyday examples.

· Explanation of the five stages of design thinking.

· Discussion of Indian innovation examples such as UPI, Jaipur Foot, Mitticool and ISRO.

· **Hands-on training and practical innovation activity for students.**

· Students were provided with **cups, straws and other simple materials** to create something unique.

· Group-based activity encouraging creativity, teamwork and problem-solving.

· Students actively participated and showed **great enthusiasm and enjoyment** during the hands-on activity.

Outcome of the Activity:

The session enhanced students' understanding of innovation, creativity, problem-solving and design thinking. The hands-on activity gave students practical exposure to the process of developing an idea using simple materials. Students were encouraged to think differently, work collaboratively and transform ordinary materials into creative and useful concepts. The enthusiastic participation of the students and their enjoyment of the activity made the outreach programme engaging and effective.

Feedback / Reflection:

Student Feedback: "I enjoyed the activity because we got to make something creative using simple materials like cups and straws."

Faculty Feedback: "The session was interactive and helped students understand innovation through practical learning."

External Faculty Feedback: "The hands-on activity was engaging and encouraged students to think creatively and work as a team."

Organizing Team Members Details:

Dr. M. Subramanya Bhat – Principal & President, IIC

Prof. Vidya Saraswathi K – Convener, IIC 2025-26

Bharathi MG - Vice President, 2025-26

- **Broacher.**

- **Media Coverage and Social Media Posts:**

The event details and activity updates were shared through institutional communication channels and social media platforms to encourage student participation and awareness.

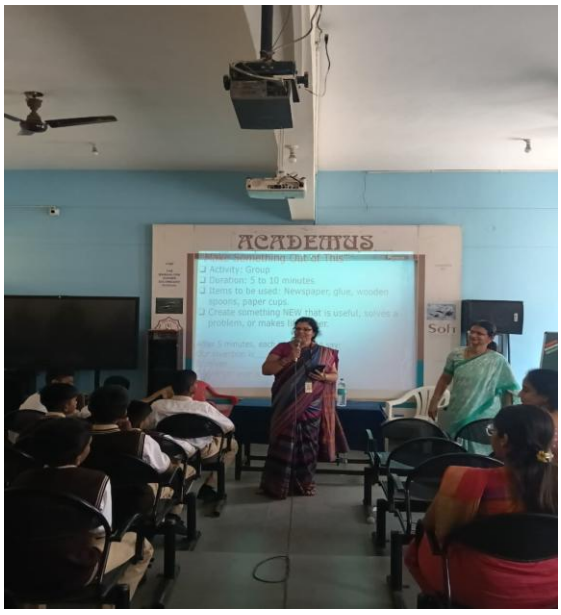

- **Photographs / Screenshots.**
