Brief about Expert/Speaker: Mr. Jitendra B. Gopalakrishna is an alumnus of Vijaya College (1998), a trader, investor and market enthusiast. During the session, he shared his professional journey and practical insights into financial markets, trading and investing.

Brief Description of the Activity:

The Department of Commerce and Management, under the IQAC initiative of Vijaya College, Basavanagudi, Bengaluru, organized a guest lecture on "Trading & Investing – Expert Session" for the students of 5th Semester B.Com on 21st July 2026. The programme was organized under the guidance of the In-charge Head of the Department of Commerce and Management, SKK Ma'am, and was attended by faculty members and students of the department.

The speaker introduced the fundamentals of the stock market in a simple and engaging manner. He explained key elements of trading such as price, volume, momentum, volatility and market sentiment, and discussed different forms of trading including scalping, swing trading, positional trading, trend following and long-term investing. Risk management was highlighted through asset allocation, position sizing, diversification, stop-loss orders and disciplined decision-making.

A mock stock-market activity was conducted in which students analysed companies under changing market conditions and shared their investment choices. The speaker also demonstrated the functioning of an online trading platform and explained the basic process of analysing stocks and making informed investment decisions. The session concluded with an interactive question-and-answer discussion, felicitation of the guest speaker and a Vote of Thanks.

Participant Details:

Total no. of Student participation: 70

Total no. of Staff participation: 8

Key Highlights:

- Introduction to financial literacy, trading and investing.
- Explanation of stock-market fundamentals: price, volume, momentum, volatility and market sentiment.
- Overview of scalping, swing trading, positional trading, trend following and long-term investing.
- Importance of risk management through diversification, asset allocation, position sizing and stop-loss orders.
- Mock stock-market activity based on real-life business and changing market conditions.
- Understanding how global events can influence industries and businesses.
- Live demonstration of an online trading platform and basic stock analysis.
- Interactive question-and-answer session with students.

Outcome of the Activity:

The session enhanced students' awareness of financial markets and strengthened their understanding of responsible trading and investing. Students gained practical exposure to stock analysis, market behaviour and risk-management concepts. The mock activity and live demonstration encouraged analytical thinking, disciplined decision-making and informed investment practices. The programme served as an enriching learning experience and motivated students to develop financial knowledge at an early stage.
